

RESIDENTIAL AIR CONDITIONERS STANDARD REVERSE CYCLE INVERTER (RZ SERIES)

Air Conditioning Expertise

Since the introduction of the first window-type air conditioning in 1958, Panasonic Air Conditioning has grown to become a globally recognised and celebrated brand, delivering unmatched quality and reliability.

Total Air Solutions

With over 300 products, Panasonic has a product or solution for every application. From residential applications to large scale commercial, we endeavour to provide fully customisable total air solutions for any and all applications.

Quality & Reliability

Panasonic Air Conditioners are manufactured to ensure years of reliable comfort. With a 5 year warranty encompassing both residential and commercial applications, you can rest easy with Panasonic.

Connectivity

Panasonic provides control solutions to satisfy all residential and commercial needs. Our range of controllers demonstrate flexibility in application, providing you with a comprehensive solution to any system need.

WIDE COOLING CAPACITY RANGE

Tailored for Any Space

With indoor cooling capacity range up to 9.5kW, Panasonic RZ series air conditioners offers the flexibility to scale cooling operation according to different needs and preferences, even for large spaces.

Cooling capacity range **2.5kW ~ 9.5kW**

COMFORT

Instant Cooling/Heating with a Push of a Button

POWERFUL Mode cools/warms the room faster by operating the indoor fan at a higher speed during start-up to bring you instant comfort cooling/heating.

Faster and Further Airflow with AEROWINGS

AEROWINGS delivers cooling comfort across the room by concentrating cool air to deliver faster and further airflow up to 25 meters*6. Enjoy a more comfortable cooling experience even in large living spaces.

*6 Applicable to CS-RZ95AKR only.

EFFICIENCY

Cooling Comfort with Energy Efficiency

Panasonic ECO Mode with A.I. will monitor the room condition and amount of heat generated at the time and adjust its settings accordingly to maximise energy savings while providing consistent comfort.

AI ECO

*7 Comparison of ECO Mode & normal mode by using 3.5kW INVERTER model.

Panasonic Inverter air conditioners integrate DC motor to offer better performance for:

- Great Energy Savings
- Better Comfort
- Quiet Operation

INVERTER

- Please read the Installation Instructions carefully before installing the unit, and the Operating Instructions before using it.
